

Team managers Meeting report 5th of September

Result

1. Pole vault on the 9th for W55/60 in Main Stadium needs more poles. LOC tries to get more over to the stadium
2. No extra Warm up area at university (see earlier meeting)-
3. LOC checks if printer can be provided to Teammanager room
4. Nation boards too small,. Manager shall use free place.
5. LOC Website seems to be hacked. Needs to be secured.
6. Cross country result problem: DNF for those who did not participate will be corrected. Mistake due to non-confirmation on Cross country
7. Rule 180 will be reinforced
8. Equipment: Hammer throw surface in Torremolinos is repaired!
9. Water: in Carranque Athletes can use their own bottles and refill in the borns (drinking water)
10. Rule 142.4 means that athletes will not be punished if they don't show up even if they have confirmed.
11. Posting of heats will be done by timetable, so earlier events first!
12. Cross Country: difficult runway, Problem on lap-counting in the first race. Due to to serious medical problems of athletes at the first race the following races were delayed by 30 minutes
Problems with posting of results-
13. Brian explains the correct handling of protests and appeals. Team manager meeting is the wrong place.
14. Toilets: Men clean and enough, Women: not enough, not clean, no paper on main floor. LOC takes care
15. Ice can't be provided in stadium, only spray by ambulance who try to help
